

JOBS AND JOB OPPORTUNITIES

EXHIBITION

Looking to recruit new staff, students or clients to fill a casual, part-time or full-time position?

ADVERTISE FOR FREE ON THE 'JOBS & JOB OPPORTUNITY BOARD'

The Canberra CareersXpo has been operating for 35+ years and provides the perfect opportunity for organisations to promote their courses, employment opportunities, products or brand to a large captive audience. This event is the largest event of its type in the region with 100+ local and national exhibitors, including universities, colleges, and career placement organisations providing a wide range of information and 8,400+ attendees expected.

A new program 'Skills, Employment and Career Opportunities' is being introduced in 2017 to enable small, medium and large businesses to reach out to students and explain what they do; what type of jobs are available; and what higher education and training courses are required, or are on offer.

We are also offering you the opportunity to advertise FREE of charge, whether you are an exhibitor or not, a job position or job opportunity, be it full-time, part-time, casual or a retail position, on the 'Job & Job Opportunity' wall. The Jobs Wall is also intended to provide students with an insight into what is on offer out there from employers in the job market and what they need to do to prepare themselves for the job. Our audience is made up of students from year's 9 through to 12 who are looking to either go onto higher education, become an apprentice or leave school and seek employment. Some of these students will also be seeking part time work whilst studying.

To participate all you need do is send an A4 flyer containing the job title, a dot point summary of the job criterion, hours and contact details to admin@canberracareersmarket.com.au A4 flyers promoting training courses that lead to employment, or career opportunities are also accepted.

Benefits of exhibiting at the CareersXpo

- build brand awareness for your organisation
